Ganga Valley Institute of Engineering

Extension of Approval (no change in intake) · Academic year 2027-28 · AICTE Permanent ID 1-5520771190

System assessment	**Needs review — high-severity issues**
Issues raised	11 high · 1 medium · 2 low · 1 notes
Checked	2026-10-22T15:22:04+00:00 (as of 2026-10-21) in 1573 ms

Checklist	AICTE records	Authenticity	Issuing authority	Infrastructure
2 issue(s), worst high	No issues	4 issue(s), worst high	7 issue(s), worst high	1 issue(s), worst high

1. Issues and evidence

Each issue lists the rule or method that raised it, the evidence behind it and its review status. Authenticity indicators are preliminary and require human verification; they are not proof of manipulation.

Checklist

Severity	Issue and evidence	Review
High	**AICTE Permanent ID differs from the application** '1-5520771109' in affidavit.pdf does not match '1-5520771190' declared in the application. Document: affidavit.pdf Printed: 1-5520771109 Expected: 1-5520771190 Rule EOA-CON-02 · basis: Permanent ID must match across documents	Not yet reviewed
Medium	**Institution name differs from the application** 'Coromandel Institute of Technology' in nba_accreditation.pdf does not match 'Ganga Valley Institute of Engineering' declared in the application. Document: nba_accreditation.pdf Printed: Coromandel Institute of Technology Expected: Ganga Valley Institute of Engineering Rule EOA-CON-01 · basis: Name must match across documents	Not yet reviewed

Authenticity

Severity	Issue and evidence	Review
High	**Document edited after issue (metadata)** PDF metadata shows it was modified 896 days after creation; last saved by an editing tool ('Foxit PhantomPDF 12.1') different from the creator ('AuthorityDocGen 3.2'); 1 incremental update(s) appended after the original save. Document: fire_noc.pdf Producer: Foxit PhantomPDF 12.1 Modification date: 2026-09-14 16:02:00 Rule ANOM-META · basis: Forensic indicator	Not yet reviewed
High	**Different font in 'valid until'** The value '31-03-2028' is set in Times-Roman 11.5pt, while the other 4 field values use Helvetica 11.0pt. This font appears in only 10 of 577 characters in the document — a common trace of a value typed over the original. Document: fire_noc.pdf Value font: Times-Roman 11.5pt Expected font: Helvetica 11.0pt Rule ANOM-FONT · basis: Forensic indicator	Not yet reviewed
High	**Identical file submitted by another institution** Byte-identical to 'nba_accreditation.pdf' in application EOA-2027-1B69B3 (INST-TN-0412). Document: nba_accreditation.pdf Other application: EOA-2027-1B69B3 Rule ANOM-DUP · basis: Forensic indicator	Not yet reviewed

Severity	Issue and evidence	Review
High	**Document edited after issue (metadata)** PDF metadata shows it was modified 39 days after creation; last saved by an editing tool ('PDF-XChange Editor 10.2') different from the creator ('AuthorityDocGen 3.2'); 1 incremental update(s) appended after the original save and after the digital signature. Document: university_affiliation.pdf Producer: PDF-XChange Editor 10.2 Modification date: 2026-09-18 11:30:00 Rule ANOM-META · basis: Forensic indicator	Not yet reviewed

Issuing authority

Severity	Issue and evidence	Review
High	**Fire Safety NOC: Printed details differ from the authority's signed QR code** Issuing-authority data differs on: valid until. Document: fire_noc.pdf certificate no: document FSN/UP/2024/50501 | source FSN/UP/2024/50501 | match institution name: document Ganga Valley Institute of Engineering | source Ganga Valley Institute of Engineering | match valid until: document 31-03-2028 | source 2026-03-31 | MISMATCH QR signature: VALID (Ed25519, issuer key in trust store) Checked: 2026-10-22T15:22:03+00:00 Rule VER-MISMATCH · basis: State Fire & Emergency Services (demo registry)	Not yet reviewed
High	**Fire Safety NOC: Differs from the issuing authority's record** Issuing-authority data differs on: valid until. Document: fire_noc.pdf certificate no: document FSN/UP/2024/50501 | source FSN/UP/2024/50501 | match institution name: document Ganga Valley Institute of Engineering | source Ganga Valley Institute of Engineering | match valid until: document 31-03-2028 | source 2026-03-31 | MISMATCH Checked: 2026-10-22T15:22:03+00:00 Rule VER-MISMATCH · basis: State Fire & Emergency Services (demo registry)	Not yet reviewed
High	**University Affiliation Letter: Digital signature check failed** The document was changed after it was digitally signed Document: university_affiliation.pdf Signed by: Registrar, State Technical University (demo) (coverage ENTIRE_REVISION) Checked: 2026-10-22T15:22:04+00:00 Rule VER-SIGNATURE · basis: Affiliating University (demo registry)	Not yet reviewed
High	**University Affiliation Letter: File differs from the issuer's copy in the repository** The uploaded file differs from the copy the issuer deposited in the repository Document: university_affiliation.pdf Checked: 2026-10-22T15:22:04+00:00 Rule VER-REPOSITORY · basis: Affiliating University (demo registry)	Not yet reviewed
High	**Processing Fee (TER) Payment Receipt: Not found at the issuing authority** Reference AICTE2813410345 not found at issuing authority Document: ter_receipt.pdf Checked: 2026-10-22T15:22:04+00:00 Rule VER-MISMATCH · basis: AICTE Payment Records (internal, authorized)	Not yet reviewed
Low	**Building Completion / Occupancy Certificate: confirm with the issuing authority manually** Municipal Building Records: no automated source; confirm with issuing authority Document: building_completion.pdf Checked: 2026-10-22T15:22:03+00:00 Rule VER-MANUAL · basis: Municipal Building Records	Not yet reviewed
Low	**Pollution Control Board Consent: issuing authority unavailable — confirm manually** State Pollution Control Board (demo registry) did not respond (simulated outage) Document: pollution_consent.pdf Checked: 2026-10-22T15:22:03+00:00 Rule VER-UNAVAILABLE · basis: State Pollution Control Board (demo registry)	Not yet reviewed

Severity	Issue and evidence	Review
Info	**University Affiliation Letter: waiting for the issuing authority** Awaiting response from issuing authority. Re-check later. Document: university_affiliation.pdf Checked: 2026-10-22T15:22:04+00:00 Rule VER-PENDING · basis: Affiliating University (demo registry)	Not yet reviewed

Infrastructure

Severity	Issue and evidence	Review
High	**Same photo submitted for different rooms** 'photo_lab-cse-1.jpg' (lab-cse-1) and 'photo_lab-ece-1.jpg' (lab-ece-1) align geometrically and share 99.8% of fine image texture — the same photograph, cropped or re-edited. Texture correlation: 0.9975 Rule INFRA-PHOTO-DUP · basis: Infra norms (configurable)	Not yet reviewed

2. Regulatory checklist

Rules applied for this application type, from the configured rule set. Values are illustrative until set from the applicable Approval Process Handbook.

Rule	Check	Applies to	Result	Basis
EOA-DOC-01	required document	affidavit	Pass	APH: mandatory affidavit (configure clause)
EOA-DOC-02	required document	fire noc	Pass	APH: fire safety (configure clause)
EOA-DOC-03	required document	building completion	Pass	APH: building/occupancy (configure clause)
EOA-DOC-04	required document	university affiliation	Pass	APH: affiliation (configure clause)
EOA-DOC-05	required document	ter receipt	Pass	APH: processing fee (configure clause)
EOA-DOC-06	required document	pollution noc	Pass	State requirement (configure)
EOA-DOC-07	required document	infra photo	Pass	APH: infrastructure evidence (configure clause)
EOA-VAL-01	not expired	fire noc	Pass	Fire NOC must be valid at start of academic year
EOA-VAL-02	not expired	pollution noc	Pass	Consent must be valid at start of academic year
EOA-VAL-03	not expired	nba accreditation	Pass	Accreditation claimed must be current
EOA-VAL-04	max age days	affidavit	Pass	Affidavit must be recent (configure limit)
EOA-CON-01	field consistency	institution name	Fail	Name must match across documents
EOA-CON-02	field consistency	aicte permanent id	Fail	Permanent ID must match across documents
EOA-CON-03	field consistency	academic year	Pass	Academic year must match application
EOA-CON-04	numeric tolerance		Pass	Declared area must match completion certificate
EOA-REC-01	record match	institution name	Pass	Must match AICTE institution master
EOA-REC-02	record match	aicte permanent id	Pass	Must match AICTE institution master
EOA-REC-03	record flag	ter payments.{academic year}	Pass	Fee payment must be recorded in AICTE payment system
EOA-REC-04	record flag	open deficiencies	Pass	Earlier deficiencies must be closed
EOA-REC-05	record flag	previous eoa.status	Pass	Previous EoA must be on record
EOA-REC-06	intake within approved		Pass	EoA without change cannot exceed approved intake
EOA-REC-07	numeric tolerance		Pass	Declared faculty must match AICTE faculty records

3. Verification with issuing authorities

Document	Source · method	Status	Detail
fire_noc.pdf	state fire services · Signed QR code	Mismatch	Differs on: valid until. VALID (Ed25519, issuer key in trust store) 2026-10-22T15:22:03+00:00
fire_noc.pdf	state fire services · Reference lookup	Mismatch	Differs on: valid until. 2026-10-22T15:22:03+00:00
building_completion.pdf	municipal records · No automated source	Manual review	Municipal Building Records: no automated source; confirm with issuing authority 2026-10-22T15:22:03+00:00
pollution_consent.pdf	state pollution board · Reference lookup	Source unavailable	State Pollution Control Board (demo registry) did not respond (simulated outage) 2026-10-22T15:22:03+00:00

Document	Source · method	Status	Detail
nba_accreditation.pdf	nba registry · Signed QR code	Verified	VALID (Ed25519, issuer key in trust store) 2026-10-22T15:22:04+00:00
nba_accreditation.pdf	nba registry · Reference lookup	Verified	2026-10-22T15:22:04+00:00
university_affiliation.pdf	affiliating university · Reference lookup	Pending	Request accepted by authority; response awaited 2026-10-22T15:22:04+00:00
university_affiliation.pdf	affiliating university · PDF digital signature	Mismatch	The document was changed after it was digitally signed 2026-10-22T15:22:04+00:00
university_affiliation.pdf	affiliating university · Issuer's repository copy	Mismatch	The uploaded file differs from the copy the issuer deposited in the repository 2026-10-22T15:22:04+00:00
ter_receipt.pdf	aicte payments · Reference lookup	Mismatch	Reference AICTE2813410345 not found at issuing authority 2026-10-22T15:22:04+00:00

4. AICTE records consulted

Item	Application	AICTE record
Institution name	Ganga Valley Institute of Engineering	Ganga Valley Institute of Engineering
Permanent ID	1-5520771190	1-5520771190
Faculty	25	25
Previous approval		2026-27: GRANTED
Processing fee 2027-28		PAID
Open deficiencies		None
B.Tech Computer Science and Engineering — intake	180	180
B.Tech Electrical Engineering — intake	60	60
Master of Computer Applications — intake	60	60

Year	Application	Outcome	Remarks
2026-27	Extension of Approval (EOA-2026-579668)	Approved	—
2025-26	Extension of Approval (EOA-2025-247732)	Approved	—
2012-13	New institution (NEW-2012-776116)	Approved	—

5. Infrastructure against norms (advisory)

Item	Declared	Required for requested intake
Classrooms	18	5
Laboratories	14	6
Built-up area (sq m)	15100.0	2880.0

5 photographs; room types covered: classroom, lab, library.

Note
This report is a decision-support output generated from automated checks on the documents and records listed. Statutory scrutiny, physical inspections where required, and the final regulatory decision rest with the competent AICTE authorities. The audit-trail hash printed in the footer identifies the state of the tamper-evident log when this report was produced.
